# Disaster First A

## What To Do When 911 Can't Come

ISBN 0-9714359-3-6 © 2004 Darkhorse Press United States

In the first critical minutes and hours of a catastrophic emergency earthquake, tornado, hurricane, or terrorist attack, all normal 911 Medical Emergency Services will be overwhelmed. There will not be immediate help for all of those who need it. It will take 24 hours to bring additional help from outside areas. Do you know what to do when 911 can't come?
